Good afternoon Kim and Robert

Further to our emails, below please find an email from MECP confirming they have no outstanding issues related to the Teedon Pit Extension and the Whip-poor-will surveys that were completed.

I understand this addresses MNRF's last remaining issue with the Teedon Pit Extension. Can MNRF please provide us with a letter withdrawing their objection to the ARA application?

FYI - The Township of Tiny has asked for a copy of MNRF's sign off letter since they are in the process of finalizing their technical review. Upon receipt I will provide a copy to the Township.

Regards,

**BRIAN ZEMAN, BES, MCIP, RPP | President**

Hi Mallory,

I would recommend with the absence of any whoop-poor-will (survey conducted as per protocol) that MECP would have no outstanding concern with the Teedon Pit extension.
