- Rob McDougall, Dufferin Aggregates
- Geoff Knuff, Local Neighbour

CLC Facilitation and Support

- John McHugh
- Tom Sargent

Minutes

- John McHugh provided an overview of the meeting and called the meeting to order
- The committee reviewed and approved the meeting minutes from June 8, 2010
 - John McNabb and Norm Elliot made a motion to approve the minutes
 - The minutes were approved by the entire committee
- Enzo Bertucci provided Paul Vanhanen with an update on the Bruce Trail Conservancy parking lot application
 - Enzo Bertucci committed to following up with the MNR
- Enzo Bertucci made a presentation on the Traffic Report
 - Monica Gunn asked if Dufferin was reaching out to local neighbours regarding the Road Watch program.
- Enzo Bertucci provided an update on the Acton Quarry extension application
 - In Spring 2011, JART will issue a report will outline the technical issues around the application

- Enzo Bertucci played the Dufferin Aggregates Ecological Enhancement video for the committee
 - Enzo Bertucci presented the fact sheet that Dufferin prepared
 - Monica Gunn asked who the audience was for the video
 - Enzo Bertucci: the video is intended for those in the surrounding municipality.
- John McHugh led the community engagement discussion
 - Norm Elliot asked about how the Open House went at the Quarry
 - Enzo Bertucci said they had 300 people there, including Paul Ostrander and other executives. They held a triple seven ride, as well as rock painting.
 - Norm Elliot brought up the idea of showing fossils to the kids at the next site tour.

Next Steps

- Enzo Bertucci will follow up to see if Dufferin is reaching out to local neighbours to inform them of the new traffic program

Next Meeting

- Next meeting is scheduled for Tuesday, November 9, 2010, 7-9 p.m. Subject to availability, the next CLC meeting will feature a roundtable discussion with Holcim Canada's CEO, Paul Ostrander (post-poned)
